

YH[R U · # \$ r f n h w # J x d u g J H O # Full Axis w/ CLIP

This pepper spray features our VEXOR® Full Axis Technology for 360-degree coverage. Unlike most pepper sprays, this versatile canister can be fired at any angle, even upside down! These products are available in Gel or Stream Deployments, with an optional Leather or Nylon Holster or a Clip, making it easy to attach to a belt or purse for convenient carry. Our Pocket Guard also boasts the same pepper (OC) used by many law enforcement officials. The spray shoots 18-20 feet away and depending on the selected unit, has over 20 bursts, with a Shelf-life of up to 4 years. The compact small size of this powerful, police-strength pepper spray allows you to easily stash it in a purse, briefcase, backpack or pocket. Has Built in clip to attach to belt, purse strap, backpack or anything with a strap.

Features Use Instructions:

To spray, place finger or thumb under safety flap press down on top button to spray. Hold while making an upward movement across the attacker's face and eyes from ear to ear.

First Aid: Flush eyes and affected area continuously with water for 15 minutes. Symptoms disappear in 45 minutes. If symptoms persist call physician.
